S.K.G.S.L. Impact is a non-profit organization (Tax exempt -ID# 76-0240756). A group of select young ladies, 18 years of age and under from the Houston area, who have qualified for the National Fast Pitch Softball Tournaments for the past eighteen years.

During the past years the Impact teams have finished as high as third in the A.S.A. National Tournament, won the A.F.A. National Tournament, won the - Metro Houston Metro tournaments - Regional tournaments (Texas) - National Qualifiers (Texas) and many other major tournaments. They have participated in tournaments in AL., AZ., CA., CO., IL., IN., LA., MI., MO., OK., OR., TN. and other tournaments in Texas, including trips to Austin, Dallas, Ft. Worth, Killeen, Midland, Nacogdoches and San Antonio. During the 2008 season we have extensive trips planned ending in Gold Nationals in Oklahoma City, OK.

Most of these ladies are honor students and participate in high school sports. In addition, they participate in fundraisers throughout the year; however, we have been unable to raise necessary funds without corporate sponsorships to defer some of the costs.

All of our young ladies also commit to 50 hours of community service.

Sponsorships/contributions from companies such as yours make it possible for these young ladies to represent Houston A.S.A. and the State of Texas in some of the finest girls fast pitch softball tournaments in the U.S.A. Please make your check payable to S.K.G.S.L. Impact and mail to the above address with a copy of this letter attached. If you have any questions, please give me a call. Also write the name of the young lady you are donating on behalf on your check to assist us in posting the funds correctly.

Very truly yours,

Stoney Burke
